SEVENTY-ONE OF FIRST DRAFT LEAVE SATURDAY

Local Board Notified That 45 Per Cent of Ohio County Quota Called to Camp—
List of Those Whose Exemption Claims Were Reversed by the District Board.

Sheriff S. O. Keown, chairman of the local exemption board, has received a message from Adj. Gen. Ellis to the effect that seventy-one of the men drawn in the first draft are called to Camp Zachary Taylor, Louisville, and will leave here Saturday morning at 8:45 o'clock for that city, via Owensboro. Arriving at Owensboro at 11 o'clock, they leave that city at 1:30, arriving at Louisville at 5 o'clock that afternoon.

As we went to press we were unable to get the names of those leaving Saturday, but below we publish the names of those whose exemption claims have been reversed by the district board, and they should hold themselves in readiness, as all of them might be in the first 45 per cent. of Ohio county's quota.

"STUMPY'S" ADDRESS NOW SOMEWHERE IN THE U. S.

Owensboro, Ky., Sept. 14.—"Somewhere in the United States" is the new address of Walter (Stumpy) Ford, a barber at the Masonic Temple barbershop for a number of years, who suddenly disappeared leaving a note addressed to the proprietor of the barbershop saying, "When you receive this my address will be 'somewhere' in the United States." He wrote a note to his wife telling her to return to her father in Ohio county, and some day he would send her some money to support his three children.

BARN BURNS WITH 8,000 POUNDS OF TOBACCO

A large barn on E. G. Thompson's farm, near Lisman, in which eight acres of tobacco had been housed, was destroyed by fire Monday afternoon. The tobacco was ignited while being cured by the firing process.

Half of the tobacco was Mr. Thompson's individual crop, while the other half was grown by Claude Price, a tenant. Mr. Thompson had \$200 insurance on his portion, while Mr. Price had none. The tobacco was of a good grade and in view of the high price predicted the owner's loss is considerable.—Providence Enterprise.

"BILLY" SUNDAY RAPS PRUSSIANISM AGAIN

Hood River, Ore., Sept. 15.—"Such a sight as this makes me glad I am an American, and I can well say that we are with you, Woodrow Wilson, and to hell with the kaiser," shouted the Rev. Billy Sunday, as he addressed 2,000 persons gathered to say farewell to the Twelfth company, Oregon coast artillery, as it departed for its mobilization camp.

"And proud we are of you, boys, for you are ready to do your part in crushing the Prussian autocracy that threatens the world. You are going to fight, boys and if you cross the sea, for some of you this may be your last glimpse of the fir-clad hills of Oregon and old Mount Hood may be waving her farewell kiss."

"But not one of these mothers, not one of the fathers, not one of these children, even though they may not be big enough to understand, but will be glad and proud, for they know you are fighting for that flag. The Stars and Stripes have been in many a fix since 1776, but never yet have they trailed the ground."

BEN JOHNSON

Heads Committee to Investigate East St. Louis Race Riot.

Washington, D. C., Sept. 18.—A resolution having passed the House providing for a full investigation of the conditions leading up to the riot in East St. Louis. Speaker Clark appointed the following committee: Ben Johnson, Kentucky, chairman; Raker, California; Foster and Foss, Illinois; and Cooper, Wisconsin. The investigation is to be a sweeping one, but more particularly to ascertain whether there is or has been danger of violence to persons traveling from or into the States of Illinois and Missouri.

FINE TOBACCO CROPS IN GREEN RIVER DISTRICT

The tobacco crop in McLean and Ohio counties is normal in acreage, and the weed is of excellent quality, according to Mr. Travis Maple, secretary of the Farmers' Co-operative Tobacco Growers' Association, who has made a careful investigation of crop conditions in this and adjoining counties during the past few weeks. Mr. Maple says that the Hancock county crop is also good, but that the crop in Daviess is below the normal acreage.—Owensboro Messenger.

PNEUMONIA VICTIM.

W. G. Hackedor, of Ohio county, a patient at the Western State Hospital at the institution Sunday of pneumonia, aged 46 years. Interment in the hospital burying ground.—Hopkinsville Kentuckian.

Lieut. Keown, whose electro appears above, is the only son of Sheriff and Mrs. S. O. Keown, and is now stationed with the 137 Machine Gun Battalion at Camp Taylor. Lieut. Keown is only twenty-one years old, but was on the Mexican border three months last summer, and more recently had three months training at Ft. Benjamin Harrison.

COAL DEALERS.

Will Not Be Allowed to Gouge Public.

Washington, Sept. 14.—Here is the plan which Dr. H. A. Garfield, National Food Administrator, informed Attorney-General McHugh would be put into effect in Ohio by the government to make it possible for every one to get a sufficient supply of coal:

1. A State coal administrator will be appointed for Ohio and he will have a representative in every county and in every community of 2,000 persons or more.

2. These representatives will certify the State administrator of the needs of the various communities. The State administrator will notify the Federal administration at Washington, who will order the operators and dealers to supply the needed coal.

3. Retail prices will be fixed so that no one will be gouged. The operators and dealers will be compelled to live up to these prices. The fact that they may have made previous contracts at higher prices will make no difference.

4. If they refuse to supply coal at the prices fixed by the government, their coal will be commandeered and will be distributed by the government.

BOARDS ON BARN FOR SEVENTY YEARS

The Courier-Journal had a letter not long ago of some children on a roof something like 47 years old. They do not "hold a candle" to the boards on the barn of Mr. J. J. Clark, of South Carrollton, says the J. Irvine Clark of Echola. The barn was built by their father more than 70 years ago and the same board roof is on it that was not there when the barn was built, still protecting hay and corn, and bids fair to last many years longer.

WELL KNOWN TRAVELING MAN ACCIDENTALLY KILLED

A Leitchfield special to the Courier-Journal says:

"Robert Taylor Kirby, of this city, was killed in an automobile accident Friday afternoon on the pike two miles west of town. The car, running at a high rate of speed, struck a rough place in the pike, was dented, and turned completely over, maiming the occupants. Mr. Kirby was 39 years old and a traveling salesman. He leaves a young wife and two small children.

W. M. McKinley Proctor, the only other occupant of the car, was slightly injured.

Mr. Kirby was well known and well liked by many people in Hartford who will be sorry to learn of his untimely death.

MISS JENNIE McDOWELL DEAD.

(Sulphur Springs Special.)
Miss Jennie McDowell, of Dundee, who had been suffering for many months with a complication of diseases, quietly passed away about 4 o'clock Sunday morning and was buried at the old McDowell burying ground on the Leitchfield road, 5 miles above Hartford Monday, about 12 o'clock. Funeral services were conducted at the church at Dundee before starting with the remains to their last resting place.

Miss Jennie bore her affliction with great fortitude and Christian hope for the great beyond. To know her was to love her and she will be greatly missed in the family circle and by her many loving friends who are left behind to mourn their loss while she is resting from her suffering and basking in the sunshine of God's love.
